4. Your regular medications should have been discussed with you prior to scheduling. As discussed with your doctor, you may take your regular medication the day of surgery.
5. Eating before the procedure is permitted.
6. **Please bring someone to drive you home.**
7. Do not use any makeup or hairspray. Please leave your jewelry at home as well.
8. Please remove your contact lenses at least 3 days prior to surgery. This depends on your type of lens:
  - Soft: 3 days
  - RGP: 3 weeks
9. **If you are paying by check payment must be made at least 10 days prior to surgery.** Please make checks payable to Talley Eye Institute.
